LAKESHORE HIGH SCHOOL CHOIRS 2017-2018 HANDBOOK

Welcome to the Lakeshore High School Choir Department. To those returning students and families, I am thrilled to work and sing with you again. To the new members of our program, we are excited to have you join us this year in Choir. Lakeshore Choirs is a group of dedicated, excellence seeking young singer musicians who strive to make exceptional music together, learn with and from one another, and build lasting friendships. We live and work by the five values in the Choir Motto: Passion, Respect, Quality, Dedication, and Family. Choir is a place for all students to build not only musicianship skills, but also life and leadership skills. As a member of Lakeshore Choirs, you join a tradition of excellence, built by the many students who have come before you. Their legacy is now yours, one you have the opportunity to not only uphold, but to enrich and strengthen!

In order to continually improve the quality of our music program, please familiarize yourself with this handbook by carefully reading the policies and expectations of the Choirs. This will help prepare students for the responsibilities they have accepted as a member of this program. When a question arises, consult your handbook and if you need further assistance, consult the director.

Choir students are held to high expectations – we expect only the best from one another. With that in mind, let's get ready for an, exciting, fun-filled, educational, and best of all, musical year.

Director of Choirs

The Lakeshore Choir Motto

Passion

For the art of making music
For doing what it takes to succeed
Drives each and every one of us to inspire
not only our audiences, but also ourselves

Respect

For your fellow choir family members and the director
For yourself
For the music

Quality

Never give less than the best you have to give
Never expect less than you deserve
Put your own personal stamp on everything that you do

Dedication

To a goal of becoming a quality group of people and singers
To doing whatever it takes to reach that goal
To becoming a contributing member
To each other

Family

To accomplish our goals, we have to work together
We are much more than a "team" – we are a family
Families help each other when they need it, support each other's dreams and goals.
Our Choir Family is made up of caring, intelligent, talented, motivated people who are constantly striving to make sure that their Family is reaching their goals.

POLICIES

ATTENDANCE – *Every student is required to be at every scheduled rehearsal and performance.* To be successful individually, and as a group, consistent attendance, punctuality, and participation are necessary. Choir students are required to be at every rehearsal (regular or extra scheduled) and performance; attendance record is a portion of a student’s grade. Choir is a team effort, and we rely on those around us. When a student is absent, unlike many other classes, the entire chorus of students must adjust and make changes. Individual attendance affects not only the individual, but also the entire group.

Any absence must be handled through parental contact to Ms. Rohwer directly. Choir schedules are given early in the year and updates made as soon as possible. Students and families are asked to plan around concerts and after school rehearsals. Students with schedule conflicts in sports and other school organizations need to make the director/coach of both events aware of the conflict as soon as possible so that an agreeable plan can be reached in advance. If you have an emergency on a concert night, please leave a message at 269-428-1402, ext 2533.

The Lakeshore Performing Arts Policy for Middle and High School choirs and bands applies. According to this policy, there are two kinds of absences:

excused absences and unexcused absences

Excused absences are *family emergencies, personal illness, and those given at the discretion of the director* when notified in **ADVANCE** by the parent/guardian. A phone call or letter received prior to the start of the event is required. Please be advised that work and vacation conflicts are not considered an excused absence. An unexcused absence results in a complete loss of points for the given performance. If the absence is excused, students are expected to make up the points through “Musical Community Service” before the end of the marking period. Make-up service hours are available only when the absence is properly excused- unexcused absences are automatic zeros. Dress Rehearsals- 3 hours of Music Community Service; Concerts, Festivals, etc – 5 hours of Music Community Service.

GRADING – Grades will be determined in the following areas:

Musicianship Participation (40%)

Students will receive a daily participation grade of 3 points (15 points/week) based on preparedness, effort, and attitude. Students earn daily points by meeting the daily rehearsal expectations. Daily rehearsal expectations include:

*Preparedness: Arrives on time, has choir folder, music and pencil, demonstrates knowledge of music. Students are expected to work on music outside of classtime.

*Effort: Demonstrates proper posture without being reminded, focuses on proper breathing technique and vocal production, makes eye contact with director, stays on task, complies with rehearsal procedure, and engages in classroom activities.

*Attitude: Exudes a positive personal attitude, exhibits self-motivation, refrains from disruptive behavior, assist teammates, and strives to have fun!

Performances and Events (40%)

Performances are the culmination of our rehearsals, and therefore an important demonstration and assessment of what we learn in class. Attendance at all performances and events on the schedule identified as required are mandatory, and unexcused absences result in a complete loss of points for the given performance (see Attendance Policy). *Excused absences* can be made up with music community service or an assignment. It is the student's responsibility to request the music community service assignment from the teacher, and it must be completed by the end of the marking period.

Classwork/Quizzes (20%)

In choir, we not only need to learn to how to sing and appreciate choral music, but also how to read, interpret, and analyze the music we perform. The theory concepts we cover are crucial to the musical growth of the individual and ensemble. Written work or online exercises will be assigned throughout each marking period and must be turned in on the designated due date at the beginning of class. At various times, students will be asked to demonstrate their knowledge through performance and written assessments that include but are not limited to:

- *Singing/memorization test
- *Sight reading test
- *Written theory quiz

An exam will be given at the end of each semester that may include a written theory section and a performance section. Semester grades are calculated by averaging both marking period grades with the semester exam grade – 40%, 40%, 20%

CLASSROOM EXPECTATIONS

1. Choir students will be positive, helpful, musical, hardworking, and respectful.
2. Choir students will have a pencil, folder, and music at all times. All other belongings (i.e. backpacks, purses, hats, cell phones) are not to be in the rehearsal space.

SPECIAL OPPORTUNITIES

HONORS CHOIR – The Michigan School Vocal Music Association has established an honors choir program that, at the high school level, features SSAA, TTBB, and SATB Choirs every year. In addition, a High School All-State Choir will be presented at the Michigan Youth Arts Festival in May. Membership into all honors choirs is open by audition to students from schools holding a current MSVMA membership. Those auditioning must be members in good standing in their school's vocal music program. Students interested in auditioning should talk to Ms. Rohwer by September 14th.

When you audition, you sing the assigned pieces memorized, a cappella and sight-sing a short exercise in front of one adjudicator. Students are assigned a point score in the categories of tone, memorization, intonation, phrasing, diction and vocal technique. The top scoring students are selected for honors choir. There are three honor choirs that happen throughout the year and you have to audition for all of them sequentially, Regional Honors Choir, State Honors Choir, and All-State Honors Choir. Students are required to pay the entrance fee. The Regional auditions will take place at the end of September via an online audition submission process and does not include sight-reading or require memorization.

MSVMA SOLO AND ENSEMBLE – Students are strongly encouraged to participate in MSVMA Solo and Ensemble. As soloists, students prepare 2 contrasting numbers and perform for an adjudicator. A sight-reading component is added at the State level. Soloists may elect for a rating or for comments only. Students are required to pay the entrance fee and make arrangements to practice outside of class. Ensembles can be formed, but students must be willing to put in extra time to practice outside of class.

LEADERSHIP – Students and parents will have an opportunity to become involved in the leadership of their choir.

Section Leaders: With the consent of the director, each section will appoint a section leader to be in charge of basic attendance, some sectionals, section motivation, and musical and supportive leadership. Section leaders should embody the Lakeshore Choir values and demonstrate advanced musical knowledge.

Choir Managers: The choir managers, along with the section leaders, form a council/board for the program that meets regularly with the director to discuss artistic improvement, social activities, concert PR, and recruitment. The Choir Manager is also responsible for assisting with music distribution and collection for their ensemble. Students may apply to be a choir manager at the beginning of the school year.

VOICE LESSONS – Students are encouraged to continue their music development outside of class. Private voice lessons are the best way to improve a student's vocal skill and confidence. Please see Ms. Rohwer for more information on voice teachers and private lessons.

CHOIR PARENT ORGANIZATION

The Lakeshore Choir program needs YOUR help! The success of Lakeshore Choirs is highly augmented by the support of the Lakeshore Choir members' parents and guardians. Parent involvement is an essential part of the success of the Lakeshore Choirs, and every helping hand allows your student to have a better choir experience. Plus, it's FUN for YOU! The Choir Parent Organization helps with fundraisers, trips and tours, special performances, and other events. Having a student enrolled in the Lakeshore Choirs automatically makes you a part of the Lakeshore Choir Parent Organization. Please join us this year for our meetings to find out more!

CHOIR PARENT ORGANIZATION MEETINGS - Meetings will take place in the High School Choir Room at 7 pm. Please see the choir website for dates. You are welcome to attend at any time throughout the year!

FUNDRAISING AND STUDENT ACCOUNTS – Every choir will participate in fundraisers throughout the year. Some of the money will go to the Choir's General Fund or Booster Account for supplies, travel/party expenses, guest artists, scholarships, etc. Some money will go directly into individual student accounts. These accounts allow students to let their fundraising money work directly for them. Students can choose to use the money for registration fees, accompanist fees, t-shirts, trips, medals, etc.
